Meeting location: Robin Hood Tavern 2<sup>nd</sup> Road

Present: 10 members

1. <b>Approval of notes</b> from the last MMM:	<u>Approved</u>
2. <b>MM Review of December</b>	
<p>a. <b>Outstation run 9-12-21 Koh Larn,</b>            The run was a success, 52 hashers present. However, there was a financial cost to the Hash (transport expenses). Better trail marking needed next time. Proposal to charge 100B for 1 free large drink next time to cover expenses.            Thanks to Yorkshire Pudding &amp; Arsebandit</p>	<u>Approved</u>
<p>b. <b>Lunar Run 17-12-21, Irish WolfHound Pratumnak Hill:</b>            OK, but poor turn out, good rags sales &amp; raffle income            Thanks to AMD, SCBC &amp; Arsebandit</p> <p>c. <b>Run# 460 18-12-21, Hares Dirty Pussy, Sour Krout BC &amp; Street Cleaner</b>            Success 39 present, sufficient good food. No complaints about no beer truck. Challenging trail for the Rambos, easy trail for the Wimps (perhaps too easy!)            Well done DP, SC &amp; SCBC</p>	
<p>d. <b>Chimps Bar Hop</b>            Good turnout, good time had by all, great to see the bars open again            Thanks to CannonBall</p>	
<p>3. <b>Financial</b>            Large expenditure for new generic shirt, but selling well. Revised deal for web hosting 6000B returned cost reduced to 3000b/a.            The cash in hand situation is around 70,000B as small profits were made in December from Raffles and Rags</p>	
<p>4. <b>Rags</b>            A very large stock of basically unsaleable items was inherited from the committee of 2019-2020. Stock value over 68,000B which is dead money. There are overpriced socks (&gt;80), keyrings, can openers, beer condoms etc. These items will not shift in Covid times, need more tourists. Out of stock of New Generic Shirts need to buy more.</p>	<u>Approved</u>
<p>5. <b>Hare Line</b>            Looking good through to March. Thanks to all of you who volunteered or were press-ganged! Bookings available for March/April            Well done STB/AMD  <i>Free runs for the hares</i>            Only 2 hares will get a free run, as has been the Jungle Tradition, how they spilt the run fees is up to them. All hares will get a hared run credit.   <i>Possible Special Runs:</i></p>
