Run 463: Elephant grazing site off 3240, Hares: Fuck off, She's the Boss, Happy Survivor Good location, well set run, turnout 45, (Profit 1,800B)

Run 464: Monastery Hill, Chak Nok, Hares Fleece Lifter and Room Boy, good local A-site, but development in this area makes it very difficult to set an interesting run, but the hares succeeded. Turnout 35 (Profit 4,100B)

Chimps' bar hop around Jomtien was well received by 14 hashers, Thanks to Cannonball.

## 3. Financial

Cash in Hand back to 68,000B, after some losses and some gains. Tighter control of fixed costs in the last run helped. Cash details are now recorded in GnuCash (free software) which helps monitoring.

## 4. Rags

Further purchases of the Generic Shirt (9,000B), during this period increased inventory, but are selling well (5,800B). SCBC is trying to reduce the inventory of old stock by reduced prices and using them as Raffle prizes.
