MIS-MANAGEMENT MEETING MINUTES 12-JULY-2023

Held at Teacher's Lounge Bar, Soi Action Street, off Soi Buakhao at 6pm. Committee members present – Fleece Lifter, Cannonball, She's the Boss, Burl Ives

Points of discussion as per Agenda, agreed action and information

1. Approval of previous meeting minutes – Agreed by all Committee members present
2. MM Review of Hashes in June/July 2023 – we spoke primarily of the financials of run #495 (overall 30 baht deficit) and run #497 (5233 surplus). Run #496 was a PAYG outstation run at Koh Larn so no cost to the club other than some electrolyte consumption.

3. Financial

MMM a balance sheet is to be available to the committee for review – She's the Boss provided figures to the committee prior to the meeting, in summary we have 21,495 in working cash, 47,000 in reserves, additionally Fleece Lifter is holding some sponsor money which will be used towards ongoing drink, food, and raffle purchases

4. Hare Line

August good, need hares for September. It was noted that the Monkey Hash have changed their run in November to be the 3rd Saturday to avoid firework traffic, so a decision will need to be made about what the Jungle will do on that same date

5. Committee Changes

Sour Kraut Bone Collector and French Erection have resigned from their positions. As we transition to replace their duties we have engaged a Thai man who does transport for the Monkey Hash (stock to be collected/returned to Fleece Lifter each run day), and will rotate the transport of chairs, lights etc. between members who have a truck – Ballringer has kindly offered to do this for run #498

6. Special Hashes:

Jungle Chimps Bar Hop and 7/11 Lunar run were successful

500th Hash 19th August – Shirt Design with updated colours has been completed by Shit Caroline, On line registration is up and running, we have 24 registrations so far and a number of other known people who will attend – GM requested Burl Ives to provide the online list so he could speak with people about pre-payment of ordered shirts. Fleece Lifter/Dragon to run the Chimps night out on 18th August in Jomtien, Cannonball to run the Sunday Strollers in Pattaya

7. Transport

Nothing of note to discuss

8. Communications:

MIS-MANAGEMENT MEETING MINUTES 12-JULY-2023

Events Calendar – Web Master to check that the August 18th and 20th events are in the Google Calendar accessed from the webpage

Log-in details to be shared with GMs Fleece Lifter & Shit Caroline for continuity purposes. - This has been provided by the Web Master

Photos of Hashing to be placed on Web page for advertisement purposes - Web Master has determined a way to bulk load and will do this as time permits

9. Marketing

Buffalo bar Pattaya has paid, along with 5 other bars, we now have 15 paid up sponsors and do not have the room on the shirts for more, so we will stop looking for sponsors for now. GM has more sponsor “posters” for the bars to display but Ballringer made a suggestion to put the web site address on them. GM will try to delegate that task to someone to inquire about a sticker for us to place on the posters

10. Rags

Stock report totals/value of stock available at MMM – rags have been provided to GM from SKBC, stock take has not been done due to time commitments, these will be handed to She’s the Boss and Happy Survivor for on-going management at run #498

11. Hash Drinks and Food

Left-over food (freezer stored) from run #497 will be used along with another dish and an approved budget for this run of 1000 baht to allow feeding of 35 people on run #498

Beer cost dropped significantly in run #497, perhaps a one-off anomaly, we will need more data to see how things will change with the new drinks arrangement

We will continue to monitor the dual choice of either bring your own beer into the circle or down-down beer from the stainless steel mugs. 6 Large Chang bottles required for DD’s

12. Awards

Hat and badge supplier to be sourced – Atomic Muff Diver briefly attended the meeting to provide details for the embroiderer, the GM will ask AMD and also Burl Ives and She’s the Boss if they can work together to get records updated and any required stock ordered in this regard. The GM will provide counts of each type of award patch currently in stock

13. AOB

GM raised that Captain Kirk’s partner provided some of his shirts on passing, it was discussed with the group and given they are in pretty good shape we will add them to the raffle over time

MIS-MANAGEMENT MEETING MINUTES 12-JULY-2023

There was an interest from the committee members in bringing back a Jungle tradition of “ice time” for people caught drinking from their right hand, i.e. Members should drink using their left hand when instructed to do so by the RA or whoever leads the circle. Also the use of pink chairs to be re-established
