### 11. **Hash Drinks and Food**

No problems reported

**INFORMATION**

### 12. **Awards**

Design for the 100/200 run shirts to be resolved

**ACTION BI & Antique**

After discussion and given we are not currently having an issue with getting hares we will remove the requirement for a run having to be hared in order to receive a due award for number of runs. This can be reviewed and altered as necessary if we need to encourage more hares. Max of 4 hares per run to discourage "silent hares" given the Jungle provides food at runs so there is no need to have a large group of hares for any financial reason. Only 2 free hares per run as per existing policy

**INFORMATION**

### 13. **AOB**

- a) On run 513 only 5 hashers out of 62 put their hands up to go to French Kiss as the On On bar, it was decided that given this lack of interest to remove them. For the time being Teachers Lounge will be the only On On bar **INFORMATION**
- b) Burl Ives proposed a suggestion Misuse Me has made to have one of the raffle prizes be geared towards the ladies as opposed to all prizes being alcohol, for example "Shampoo & Conditioner". No objections were received so this can happen as soon as it suits BI to purchase **ACTION BI**

Meeting closed at 18.00 hrs. Next Meeting: Wed 10th April 2024, location to be a bar in Jomtien area
